

HUBY CE (VC) PRIMARY SCHOOL

Collective Worship Policy

'Only my best will do be kind to one another'

Collective Worship is a time where we come together to share our love of God and celebrate our achievements together. The worship of the school is based on promoting the Christian values which underpin the values and ethos of the school. As such, the contributions of staff, pupils, church clergy and other visitors are valued highly.

Christian Values

Although difficult to define, we identify the values of forgiveness, fairness, respect and tolerance of others, integrity, compassion, honesty and self worth. These values are embodied in our school motto and in the New Commandment that Jesus gave us:

"...love one another. As I have loved you, so you must love one another, then everyone will know that you are my disciples". John 13:34-35

We also actively seek to encourage children to explore and reflect different perspectives of the values and lifestyles of others.

Legal requirements

The law states that in all schools there must be a daily act of worship for all pupils. Huby CE (VC) School is a church school so Collective Worship will be based on the doctrine and practice of the Church of England. Collective Worship is a special time in the daily life of the school and underpins the Christian values and ethos of the school. Parents have the legal right to withdraw their children from the act of worship either partially or wholly.

Aims:

- To develop a sense of community in bringing pupils together to celebrate the shared values and ethos of the school.
- Although our worship reflects our Christian beliefs and values, we are committed to respecting each other's faith stance and culture, showing tolerance and understanding regardless of pupils' beliefs.
- To enable pupils to reflect on Christian values and on their own beliefs, offering space for reflection, meditation and silence.
- Provide opportunities to worship God.
- Contribute to the spiritual, moral, cultural, social and emotional development of pupils, both in school and in the wider community.
- To develop feelings such as awe and wonder and heighten the children's awareness of questions relating to the mysteries of life.
